HOW CATARRH IS CONTRACTED

Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucous membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease, will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere.

Daily Thought. There is a chastity of honor that feels a stain like a wound.—Burke.

BAD COLDS FROM LITTLE SNEEZES GROW

Many colds that hang on all winter start with a sneeze, a sniffle, a sore throat, a tight chest. You know the symptoms of colds, and you know prompt treatment will break them up. Dr. King's New Discovery, with its soothing antiseptic balsam, has been breaking up colds and healing coughs of young and old for 47 years. FOSTER HAS A SENSE OF FITNESS

Adjutant General of the State Declined to Preside Over a Catts Meeting in St. Augustine

(Tampa Tribune)

Adj't-Gen. J. C. R. Foster, democratic nominee for the office which he now holds, in declining to preside over a political gathering at St. Augustine in the interest of Sidney J. Catts, gives utterances to some statements which are expected to be a guide to other members of the democratic party in the campaign which will be waged for the governorship.

General Foster was invited by J. V. Burke, manager of Catts' campaign, to preside over a meeting at St. Augustine, and replied to the request as follows:

"My Dear Mr. Burke: Your letter of the 7th inst. advising me of the contemplated visit of Mr. S. J. Catts to St. Augustine and asking that I meet and introduce him to the people of this city has been received.

"As a citizen of St. Augustine, I am always glad to extend any courtesy to any visitors here, but I understand your letter to be an invitation to preside over a political meeting which is to be held in the interests of Mr. Catts' candidacy for the office of governor. This being so I cannot consistently comply with your request.

"It would be an easy matter to evade the issue raised by your letter by simply saying that I will not be in the city tomorrow evening, for, as a matter of fact, official duties will call me out of town tomorrow, but I am not accustomed to dodging issues and try to meet every proposition put up to me squarely and frankly.

This mental attitude obliges me to say that, according to the information which I have, Mr. Catts is not the democratic nominee for governor. The actions of the supreme court of the state by which the matters in dispute between Mr. Knott and Mr. Catts were recently adjudicated, and the declaration of the democratic state executive committee both concede the nomination to Mr. Knott. In this situation, being a democrat and having myself repeatedly received the endorsement of the democratic party in this state, I cannot consistently take any action which would give, or seem to give, encouragement or support for any office as opposing the regular democratic nominee.

"Mr. Catts may represent the choice for governor of the majority of the electors of this state, but in determining who is the nominee for the democratic party I know of no more unbiased tribunal than the supreme court of Florida, and no voice that can speak with greater authority for the party than the democratic state executive committee."

We do not charge you credit prices, for we sell for cash only. Bring your pocket or check book. Little's Shoe Parlor. 27-tf
